

Ceramics Industry – Models for Plaster Working Molds – Face Casting

Models for Plaster Working Molds

Casting	Face Casting		
		EC-2401/ EH-2904-1	Excellent workability, flows very well Fast reactivity
		PC-3411/PH-3911	Shore A 80-85 Abrasion resistant
		PC-3410 / PH-3911	Shore A 40-45 High elongation at break
		PC-3408 / PH-3912/ PH-3913	Shore A 50-60 Good tear propagation resistance
