

# Foundry Industry – Core Boxes – Face Casting

Core Boxes			
Casting	Face Casting	EC-2400 / EH-2909	Abrasion resistant, resistant to chemicals Easy to cast Fast cure
		EC-2402 / EH- 2904-1	Metal filled, hard surface, workable Fast reactivity
		PC-3451 / PH-3952	High abrasion resistance and impact strength Shore D 60-65 No brittle phase Both components without skull and crossbones label
