

Machine Industry – Machine Parts – Boards

Machine Parts			
Milling Functional Machine Parts	Boards	WB-1000	Density 1.0 g/cm ³ , beige Good mechanical properties Easy to machine
		WB-1404	Density 1.4 g/cm ³ , olive Good edge strength Excellent surface Can be polished
		WB-1600	Density 1.6 g/cm ³ , ivory Excellent mechanical properties Easy to machine
		WB-1700	Density 1.7 g/cm ³ , dark gray Excellent mechanical properties Excellent surface structure High temperature resistance
