

Plastics Industry – Vacuum Forming Molds – Full Casting

Vacuum Forming Molds			
Casting	Full Castings	PC-3403 / PH-3903 (AC-9004)	Can be cast in large volumes with filler AC-9004 (380-400 pbw) Good workability Temperature resistant up to 80 C
		EC-2404 / EH-2952-1	Aluminium filled Good workability Temperature resistant up to 120 C
