

Plastics Industry – **Foaming Tools** – Face Casting

Foaming Tools			
Casting	Face Casting	EC-2400 / EH-2909	Abrasion resistant and resistant to chemicals Fast cure
		EC-2400 / EH-2952-1	Abrasion resistant and resistant to chemicals Slow cure Good temperature resistance (110 C)
		EC-2404 / EH-2952-1	Aluminium filled Good workability Temperature resistant up to 120 C
	Coupling Layer	EL-2210 / EH-2910	Flexible coupling layer between aluminium and aluminium backing structures Mix ratio 100:100 pbw
